

## Code of Conduct for Players

### Athlete statement

I believe that the true essence of sport is to strive for personal achievement and excellence through full and honest effort. I am committed to participating in sport with integrity, and to striving to win only by legitimate means. I pledge to learn, understand, and adhere to both the written rules of my sport and the accepted rules of fair play. I believe that violence and physical intimidation are harmful to sport, and I refuse to use such tactics to gain an unfair advantage. I understand that officials, teammates, and opponents are all integral to sport and worthy of my respect. It is my responsibility to maintain self-control. I will accept officials' decisions without arguments, play aggressively but without hostility, and behave graciously in triumph or defeat.
